2025 Large Group High Deductible Creditable Analysis

In the body of the charts below, under the Rx Riders Options columns, you will find several results: pass (indicating a rider is creditable), fail (indicating a rider is not creditable), or a dollar amount. The dollar amount represents the minimum amount the employer would need to fund the HRA or HSA for the rider to be creditable (pass). If the employer funds less than the amount listed, the rider is not creditable (fail).
