Initial Coverage:

Once your total drug costs have reached the \$2,000, out-of-pocket max for Part D drugs, you will move to the Catastrophic Coverage Stage.

Catastrophic Coverage:

If you reach the **Catastrophic Coverage Stage**, you pay nothing for your covered Part D drugs.

If you are taking high-cost medications and think you might need assistance, give us a call to learn about a program that may help you pay for your prescriptions over time instead of all at once.

* Members can receive a 90-day supply through a network retail pharmacy, but it would not qualify for the mail order delivery service discount. The copayment would be three times the 30-day network pharmacy copayment.

All formulary insulin is capped at \$35 per month.

Preferred Retail Locations for Medications

If you have prescription drug coverage, you can fill prescriptions at any in-network pharmacy you choose. But you may see significant savings by using a preferred retail location.

Enjoy deep discounts on certain generic drugs when purchased at one of these participating retail locations*: ConnectRx, Market 32/Price Chopper, Walmart, Hannaford, ShopRite, Walgreens, Kinney Drugs, RiteAid, Stop & Shop, Giant Foods, and Food Lion.

*List of retail locations subject to change.

¹ You must use plan providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor CDPHP will be responsible for the costs.

Please be aware that you can enroll in Medicare plans only at certain times during the year:

- As early as three months before you turn 65 (or when your Medicare Part B is effective), you can join our plan.
- Between October 15 and December 7, anyone who has Medicare Parts A and B and resides in our service area can [join](#) our plan for January 2025.

People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If you qualify, Medicare could pay for up to 75 percent or more of your drug costs, including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not be subject to the coverage gap or a late enrollment penalty. Many people are eligible for these savings and don't even know it. For more information about this Extra Help, contact the Social Security Office at 1-800-772-1213 between 7 a.m. and 7 p.m., Monday through Friday. TTY users should call 1-800-325-0778. Or call 1-800-MEDICARE (1-800-633-4227), 24 hours per day, seven days per week. TTY users should call 1-877-486-2048. Or call your state Medicaid office.
